

Alpha MOS is pleased to announce it received “Best sensory analysis solutions Europe 2020” award.

Alpha MOS (Euronext Paris – Compartiment C – Code ISIN : FR0000062804 - ALM), is pleased to announce that it received the prestigious “Best Sensory Analysis Solutions Europe 2020” award by CFI.co (Capital Finance International), a leading print and online magazine focused on global business and finance.

This award recognizes Alpha MOS’ 27 years of innovation and technological advances in the field of sensory analytical instruments.

Alpha MOS CEO Pierre Sbabo commented “We are very proud to have received this distinction. It rewards many years of strong commitment to Research and Development, and recognizes the unique positioning of our company. We bridge the gap between analytical science and human panels. It is a recognition of the company’s mission to ensure the highest levels of quality and service to our clients.”
